Your wedding venue is a lovely beachfront resort in a peaceful yet central location on Koh Samui. The wedding couple are required to stay for a minimum of three nights in order to secure the wedding package. Rates start from \$140 per night per couple including tax, service, gourmet buffet breakfast daily and also includes 20% off food, drinks and the spa for all guests staying

at the resort if they book through Take us to Thailand. The resort features a gym, day spa, two swimming pools and two great restaurants.

There are lush gardens and friendly staff, and the resort is walking distance to shops and restaurants. Guests have a choice of staying at the resort where your wedding is held, or we can recommend cheaper options on the same beach. We can also assist with recommending and booking accommodation in Bangkok and on other islands. There is no obligation for your guests to book through us, however we offer fabulous rates and personalised service.

### **Legalities**

We charge an additional \$250 to arrange for you to be legally married in Thailand. We prepare a schedule for you of the process you must follow in Bangkok, and we will organise your accommodation for you in Bangkok if you wish. For the legal aspect, we arrange for the council officer to attend your wedding ceremony at your wedding venue on your wedding day. There are costs associated with translation/consular fees etc that are less than \$550 in total which we will make clear to you if you wish to complete your legal marriage in Thailand. As this council officer is not the person who conducts your wedding ceremony, your ceremony is not affected from a guest perspective whether it is legal or not.

If you do not wish to be legally married in Thailand, or visit Bangkok, you can contact your local registry office in your home town to arrange your legal marriage. You will still have a gorgeous wedding ceremony on your wedding day with a Western celebrant whether you complete your legalities in Thailand or not.

### **Choosing this Take us to Thailand Amari Koh Samui Package**

If you would like to go ahead and have Take us Thailand organise your package wedding for you, please send us your full names and address so that we can prepare our terms for you. We will then ask you to return these terms with a **\$3,000** deposit to secure us as your planners (this will reduce your package balance by \$3,000).

Then the exciting part begins – we can begin planning your wedding and holiday with you!

To secure your wedding date/venue you will need to pay **\$3,000** as soon as possible (within two months). This will allow us to formally secure the venue for you on your chosen wedding date. Your package costs outstanding will be further reduced (by \$3,000).

The balance of costs owing will be spread out over the planning process. All optional extras you request will be billed to you 4 months prior to your wedding, with the final confirmation of guest numbers required two months prior to your wedding for billing to be completed.

All items will be prepaid, and there wont be any surprise bills provided once you are in Thailand or after your event – head off on your holiday and enjoy!

**Please note:**

All prices quoted are in Australian Dollars and include 18% tax and service. Prices for all add-ons beyond your 20 person package such as accommodation and optional extras will be invoiced in Australian Dollars but may differ slightly (up or down) dependent on the Thai Baht (THB) exchange rate via Westpac Bank. All prices are valid for 30 days from date shown.
